

Book and Material List P5-EN 2026/27

Dear Parent/ Guardian.

This is the material list and book list for your class next year. Most of the books should be purchased by you the parents; however, some materials and books will be purchased by the school, which you will be billed for in September 2026. A lot of time has been taken to ensure the books are available and are up to date. Where there are questions, please contact Marcus Adams (Deputy Director Primary – m.adams@es-rm.eu). It is possible that the odd book will be requested by the class teacher during the year, which will be communicated to you by them. Please make sure that all materials and books have your child's name written clearly in them.
