Protokoll des letzten Treffens

### Punkte der Sekundarschule

Change of the coordinator in the Secondary School for this year. A. Losada is the new coordinator for ESRM and M. Henn for ISRM.

### Afternoon Clubs

A short update was given about the available clubs. Badminton, Soccer, Frisbee, Netball, Hockey, Rugby, Eurosport and Basketball are offered. About 130 children are part of the club with Badminton being the club with the greatest participation. The clubs in the first semester will run until 8<sup>th</sup> December, and the 2<sup>nd</sup> semester dates will be communicated. T. Zijlstra suggests a greater publicity of clubs that have a lower turnout.

Hockey is a big wish of the school management, although the uptake and wish from the students is still quite low.

### Netball

K. Henn introduced Netball. 27 students are coming from P3-S1. Court markings have been approved. Fixtures vs Cologne, Switzerland and Berlin are to hopefully follow throughout the year. Partnership with the Primary and Secondary School.

### Rugby

Good start to the year. Games vs FIS have already been arranged, and further training at 1880 will follow this semester.

T. Zijlstra mentioned that Frankfurt European School has a wish for developing Rugby contacts with ESRM.

### **Eurosport**

Training camp planned for May 2023. A. Losada, M. Hanhesier and M. Müllerleile are organising this.

### **Ski Trip**

Location is Wagrain in March 2023. Cost is about 765euro. A better quality 'jumper' will be printed for this year's event. It will cost about 40euro and be an optional purchase. Parents commented that the cost was acceptable.

### **AOB Secondary**

- Volleyball JTFO (2 teams) in November 2022. Football JTFO will follow hopefully in semester 2. Basketball JTFO has been cancelled, however fixtures vs FIS are in the planning.
- Volleyball Christmas tournament will take place, and there will be an Easter Badminton competition.
- Secondary Sports day will be 4<sup>th</sup> July 2023.
- A charity run is in the planning, to link in the 10-year celebrations.
- Secondary sport shirts for the 10 year (Jako brand) are available to buy. Cost 20euro per shirt. The parents will circulate the word about buying them.

## **Punkte der Primarschule**

### **Herbstturnier für Ballsport**

Is planned per year. Will happen after the October holidays.

### **Rugby**

1880 contact has been contacted again, and the training fort he Primary will happen again for P2-P5 in Easter time. It worked well last Easter.

### **Sports Enrichment**

P3-P5 all functioning. Herr. Mansson and Frau Berti are leading this. Help with the furthering of the sport talent in the Primary School. It is a 6 week program special to children who excel in sports.

### **Bundesjugendspiele**

Certificates are ordered. Will happen before the BAC starts between Easter and May.

### **Golf -Kader und Wochentraining**

2 different golf trainings are happening. Wednesdays are for the Primary, and the Secondary course for both schools. The partnership is working well, and the group is performing very well together. The partnership with the Hessen Golf Verband is running well, although the location will change in the upcoming school year as Bad Vilbel has hosted for so long.

T. Zijlstra mentioned that there are some problems with the partnership, as many new golfers then don't go on to join the golf club. Although it is great to see so much golf, an adjustment may need to be made financially in the upcoming period. M. Mansson will look into new options with the parent representatives, to ensure all stakeholders have a fair return. M. Mansson will report back to T. Zijlstra.

### **Boule an der Schule**

New project in the school linked with the club with Petterweil. The park platz by Porta will be used. It is a 6-week project. Will be on Monday for P2-P5 starting in Easter.

### **Externe Wettbewerbe und Freundschaftsspiele**

Tournaments are in the planning not only with the JTFO, as well with local schools. Swimming and Football (girls and boys) are both planned.

T. Zijlstra has encouraged that the tournaments that were developed before Covid with other European Schools are returned 'post Covid'

### **Tennis**

Is in the planning for Semester 2. M. Mansson is in contact with the parent contacts. Problem is with the location, as well as the number of schools that are interested in a 'tennis cup'

### **Defibrillator Sporthalle**

The defibrillators have been serviced and batteries changed. Each school has one in their building as well as the sports hall.

### **Erste Hilfe**

40 members of staff have had first aid training in the month of October. Another course is planned in January. A course for children is requested by the parents. T. Zijlstra will take on this point.

**Europäische Schule RheinMain**  
**The European School**

### **Cricket**

U11 are the German champions and cricket goes from strength to strength as a school. Lots is planned with tours and games in 2023. There are about 80 children involved with cricket from P3-S3.

### **Points for Students**

Informal sport tournaments are wished by the students. T. Zijlstra has urged the student representative to speak to M. Müllerleie.

### **Punkte der Eltern**

The points from the parents were answered during the round of the secondary and primary round.

The following points had been submitted by the parents.

- Jugend trainiert für Olympia (JtFO) Tennis/Golf 2023
- Gibt es genügend Teilnehmer?
- Trainingseinheiten geplant?
- Feedback Nachmittagsaktivitäten - sind diese gut angenommen?
- Sporttag - Ist es möglich die Bekleidung nachhaltiger zu gestalten indem Trikots oder Laibchen organisiert werden?

### **AOB**

T. Zijlstra brings up the need to identify which students are 'high level' students as sometimes we don't always hear of the achievements of these students. It was agreed to come up with ways to improve the communication of sporting achievements in the school.
