## School Library Fees

In principle, the use of the school library is free of charge. However, if materials are not returned on time, the library will charge the following fees for educational reasons:

### *Primary School Reminder Fees*

- Grade P1 to Grade P3:

**No reminder fees**

- Grade P4 and Grade P5:

**0,05 € per item and per school day, commencing 10 school days after the reminder deadline.**

During this period, usually 2 reminders are sent. If the parents' e-mail address is available, the second reminder is sent to that address. The fees are due irrespective of the fact whether the reminders are sent.

### *Secondary School Reminder Fees*

- Grade S1 to Grade S3:

**0,10 € per item and per school day, commencing 5 school days after expiry of the loan periods.**

During this period, usually 1 reminder is sent to the pupil. If the pupil's e-mail address is available, the reminder is sent per e-mail. The fees are due irrespective of the fact whether the reminder is sent.

- Grade S4 to Grade S7:

**0,20 € per item and per school day, commencing 5 school days after expiry of the loan periods.**

During this period, usually 1 reminder is sent to the pupil. If the pupil's e-mail address is available, the reminder is sent per e-mail. The fees are due irrespective of the fact whether the reminder is sent.

**Separate rules apply for borrowing TING audio pens and e-book readers!**
